

# Rules for the Park

In order to maintain the quality and cleanliness of the park, and to avoid any misunderstandings, your Board of Directors has issued the following guidelines:

1. You are welcome to walk your pets in the park, but you are required to clean up after them.

Please use a pooper-scooper or baggie. The park is used frequently – even daily – by many of our residents, so it's important for us to maintain the highest level of cleanliness possible.

2. The park can be reserved for your use and enjoyment at no charge. Family outings, group picnics, wedding parties, etc. are encouraged. To reserve the park, please contact the Board Secretary at least two weeks in advance of your event in order to avoid any conflicts.
3. All residents who use or reserve the park are required to clean up the area after their function, leaving it neat and clean.
4. For the benefit of those living nearby, all functions must be over by 10 p.m. including park cleanup.

Thank you for your cooperation.
